SEXUAL ASSAULT SUPPORT

ABOUT US

The Waikato Sexual Abuse Assessment and Treatment Service (SAATS) is a Hamilton based, specialist sexual assault medical service available to people of all genders who are 13 years of age or over who may have experienced sexual assault.

Our specialised team of clinicians offer a range of services along with medical assessments after a recent or past assault.

**Waikato SAATS is
CONFIDENTIAL and FREE of
charge.**

WAIKATO SAATS SERVICE

13 years and older

Forensic Assessment

Available for a recent sexual assault - if the assault happened within 7-10 days. You can have a medical assessment even if you do not wish to involve the police.

Day Clinic Assessment

Available as booked appointments for those whose sexual assault happened more than 7-10 days ago or when a forensic examination is not wanted. Follow up appointments available as required

Our specialists assess, manage, refer and treat, as required. We address your concerns relating to pregnancy, infections, injuries and your safety, to support your wellbeing.

We can provide documentation from these assessments to support those wishing to proceed through the justice system.

**Everything that happens, happens with
your full consent.**
